

AllezZ

"GO FOR GOURMET FLAVORZZ!"

Who we are

Gurmez Gıda is a gourmet, niche and chef style food production company based in Istanbul - Turkey cooperating with Access Group. With our brand Allezz; We are focused on unique recipes which are made with professional chef style in our facility rather than industrial products. All of our products are additive free and made with all natural and fresh ingredients. There is no room for refined sugar and artificial sweeteners in our production line. We only use honey or date molasses in our gourmet products. Our main purpose is to become the global choice of every chef and gourmet who wants for more taste with our unmatched recipes.

ALLEZZ has emerged to add flavor to the lives of people from every culture in all the corners of the world, who love to cook and appreciate quality food!

A modern approach to Middle Eastern and Mediterranean sauces and appetizers is born, which aims to be an alternative and unique gastronomic touch to palates of the people of all ages.

The sauces and condiments; made from fresh vegetables, fruits and spices without any additives, are coming to the tables in glass jars. Allezz will add gourmet touches to complex or even the simplest of dishes. Impress your guests as anyone can become the professional chef of their own kitchen.

ALLEZZ can be enjoyed as a dipping sauce or as a supplement to any dish, whether hot or cold.
